We are organizing a week of lunchtime calls and emails to the  
Council District Offices. We will send daily reminders to call  
and email this week only, so forgive the lunchtime interruption  
for this campaign! We will keep it short and sweet, please take a  
minute or two to do this once or twice this week!

\*Call Council Members Mitch O'Farrell (213-473-7013) and Gil  
Cedillo (213-473-7001) and ask them to demand answers from Barlow.\*

Barlow's tactic is to show even a small bit of progress on their  
ill conceived project, despite a still uncertified EIR and no  
approvals for its massive development scheme.

The project

includes includes nearly 900 new homes, an 83,000 square-foot  
replacement hospital, a 31,000 square-foot four-story  
administration building, 17,000 square-foot skilled nursing  
facility, and 15,000 square-feet of commercial use space.

We have asked the Barlow Development Team for an update on their  
project yet they claim to have nothing new to report to the  
community.

and ask them to demand answers from Barlow.

Barlow needs to engage in a truthful dialogue with the community, including a transparent, honest and relevant environmental analysis of its development proposals. We need to stand together and say NO to the massive Barlow Development Scheme.

Please forward this letter to your friends, your neighbors and your mailing lists ...anyone who cares about stopping the massive Barlow Development Scheme.
